## **New email notification feature to consolidate and deliver Plan Review comments**

To streamline the resubmittal process, the Building Department will be implementing a new email notification feature to consolidate and deliver Plan Review comments on **Monday, May 10, 2021**.

Each day at 7 PM when a submittal cannot be approved, the applicant will receive an email containing a Plan Review Report with comments except for those related to architecture. These review comments will continue to be delivered instantly to the applicant when the scope of work calls for an Architectural Review and/or the project is located within the Downtown Overlay District.

Please submit comments and feedback to [Greg Smith](#).

Thank You,
