CERTIFICATE TO DIG APPLICATION NOTES

1. A Certificate to Dig is required prior to or in conjunction with the issuance of a final development order for activity within any area of Archaeological Sensitivity Levels 1 or 2 (as identified in the survey know as "Archaeological Site Inventory and Management Plan for Lee County, Florida").
2. The purpose of the Certificate to Dig is to allow sufficient time to conduct any investigations including the location, evaluation and protection of significant archaeological sites in areas suspected of having such sites.
3. The Certificate to Dig may be issued with conditions that may involve the further excavation or study of the subject site. All work performed pursuant to the Certificate to Dig shall conform to the requirements of the certificate. In the event of noncompliance, the city shall have the power to issue a stop work order and all work shall cease.
4. Aerial and site plan must be included with the application and submitted to the City of Bonita Springs, Community Development Department.
