**ADMINISTRATIVE ACTION REQUEST
SUPPLEMENT K (DOCK AND SHORELINE)**

If the request is for administrative approval for a dock or shoreline structure in accordance with Section 7-358 & 7-360 of the Land Development Code, please submit the "Application for Administrative Action" form and the following:

1. Request is for: Primary Structure Length Deviation [Sec. 7-358(b)] Setback Deviation [Sec. 7-358(d) or Sec. 7-360(a)(2)]
2. Owner's Name: _____
3. Street Address: _____ STRAP Number: _____
4. Primary Structure Length Deviation [Sec. 7-358(b)] Information:
 - A. Structure Type: Dock Fishing Pier Kayak/Canoe Launch Boardwalk
 - B. Length criteria deviation requested: 25% navigable channel width 20% waterway width in Estero Bay Aquatic Preserve *Proof of FDEP Permit/Exemption Required Lake structure length
 - C. Reason for request: (attach additional pages for detail as needed)

 - D. Demonstrate the request meets the following conditions:
 - (1) The proposed dock has been approved by all applicable state and federal agencies; and
 - (2) The increased length will not result in a hazard to navigation; and
 - (3) The proposed dock is compatible with docks or other structures and uses on adjoining lots; and, except for closed waterbodies.
 - (4) If the increase in length results in an area over water of 500 square feet or greater, a benthic species survey assessment conducted between June 1 and September 30, shall be provided demonstrating the increase in length will lessen the dock's impacts on seagrass beds or other marine resources.
5. Setback Deviation [Sec. 7-358(d) or Sec. 7-360(a)(2)] Information:
 - A. Property width at the shoreline property line: _____ Required setback: _____ Requested setback: _____
 - B. Have the adjoining property owners executed a written agreement in recordable form agreeing to the reduced setbacks? YES NO If yes, attach a copy of the agreement to this application.
 - C. Will decreasing the setback create a hazard to navigation? YES NO If yes, explain:

 - D. Explain how reducing the required setbacks will minimize or reduce damage to wetland vegetation or other environmental resources: _____

ADDITIONAL SUBMITTAL REQUIREMENTS: Please submit the following:

1. Site plan, drawn to scale, indicating the proposed structure for which the administrative deviation is sought, and any adjacent structures which may be affected by the requested administrative deviation. The location, size, waterway width, and setbacks, if applicable, of the requested administrative action must be clearly indicated on the site plan.
