## Mangrove Trimming, Augmentation and Removals

The Florida Department of Environmental Protection (FDEP) services the primary regulatory and permitting authority for the trimming, augmentation, and removal of mangroves statewide, including the City of Bonita Springs.

Please contact the Florida Department of Environmental Protection South District Office at (239) 344-5600 or <https://floridadep.gov/south> prior to commencing any trimming, augmentation, or removal of mangroves and/or undertaking activities within mangrove habitats.
